OFFICE OF PETITIONS

FURTHER RENEWED PETITION TO REVIVE AN ABANDONED APPLICATION

UNDER 37 CFR 1.137(b)

Sir:

This Further Renewed Petition is submitted pursuant to the Decision on Petition dated February 10, 2003, dismissing the Further Renewed Petition to Revive an Abandoned Application filed January 22, 2003.

The Petition Attorney indicated that the official fee for a Petition under 37 CFR 1.137(b) was not submitted with the original Petition dated September 29, 2000. A review of our accounting records indicates that a fee of \$130 was inadvertently paid rather than the correct fee. We enclose our cheque in the amount of \$1,170, being the balance of the fee due under 37 CFR 1.137(b). The inconvenience caused the Office by the submission of the incorrect fee is regretted.

The Petition Examiner indicates that the RCE submitted with the Renewed Petition to Revive dated January 23, 2003 was defective in referring to the further Renewed Petition rather than to the Amended Appeal Brief filed September 29, 2000. This oversight is regretted and is remedied by the substitute RCE submitted herewith. It is noted that the required fee was paid with the RCE submitted January
